DRAFT AL FRANKEN 2020

FEC IDENTIFICATION NUMBER

Mailing Address 14 NORWOOD AVE

To whom it may concern:

This is in response to your Request for Additional Information (RAI) for the Statement of Organization our committee filed on November 9, 2016.

Our committee is operating as a draft committee, which we believe allows us to use an individual's name in the name of our committee. We believe that because we distinctly identify the purpose of our committee by using the word "Draft" in the committee name, the public will be able to distinguish that this is not an authorized committee ? especially with the appropriate notices on our websites, advertisements, etc.

If the FEC determines that our reasoning is incorrect, we would like to request additional information as to why "Draft Biden 2016," committee identification C00574418, never received a similar notice from the FEC for including the candidate's name in name of the committee. We fail to see the difference between their committee and our committee.

Please advise.

Thank you,  
Nick Butler
